

Video Message from CMD, SAIL for Chief General Managers

Our Chairman & Managing Director, Shri Amarendu Prakash, has shared a special video message for Chief General Managers of SAIL.

Drawing on his journey of more than three decades in the Company, he shares thoughts and personal experiences with special focus on this important phase of an executive's career.

We invite everyone to take out a few minutes to watch the video, reflect on the thoughts shared and carry that spirit forward for a stronger SAIL with a better tomorrow.
